Description

Ecological product for fixing wooden posts into the ground. Saddar Eco spikes are products with propriety engineering solutions & protected by intellectual property rights. SADDAR Eco spikes are manufactured of PET material specially constructed by ourselves. It is crystalized, chemically modified & glass fiber reinforced composite with high impact resistance, rigidity & tensile strength.

Advantages

Advantages of eco post spikes SADDAR as compared to steel post spikes:

- SDS System (Stress Distribution System) - Constructions elements absorbing hammering energy
- 100% rust, water and frost resistant
- High resistance against lateral (bending) forces
- SADDAR eco post spikes can be recycled again
